

football in the **COMMUNITY**

Good afternoon and welcome back to Carrow Road for today's local derby versus Ipswich Town.

Today, we would like to welcome Thordon Vipers and the Vikings Futsal Association from Australia to the Football in the Community match day club sponsored by OTW Imaging Ltd. We hope you all enjoy your coaching and match experience with us today.

For further information on our schools development programme please contact Stevie Bramble on 01603 761122 or email stevie.bramble@ncfc-canaries.co.uk

Enjoy the game.

IAN THORNTON

Director of Football in the Community

SCHOOLS DEVELOPMENT PROGRAMME

Would you like to have Norwich City's Football in the Community coaches working with you or your children in your school? Currently we have a number of initiatives that may be of interest to you.

Is PPA time a challenge for you to cover in school time? We can offer you qualified coaching staff in a number of different sports to deliver key stage one and two in your school. All staff are qualified to a minimum of a governing body level two and have the relevant CRB and child protection certificates.

"We are now at the stage after approaching Football in the Community where we have been running the school sports programme for over a year. We are very pleased with the quality of the delivery and the learning outcomes that are being achieved," said Mr Gray – Head Teacher, Robert Kett Junior School.

The feedback from the seventeen schools we currently have contracts with has been very positive much to the credit of our coaching staff and Stevie Bramble – the schools development officer, who are organising and delivering over 130 hours on a weekly basis in school time.

As always, Norwich City Football in the Community after-school clubs continue to be an attraction for an out of hour's learning programme for children. For the September to October block we have seen a record 56 football or multi sports after-school clubs running over a consecutive period. New for 2008 will see the launch of a FUNdamentals after-school club. These are ideal sessions for schools with limited space that wish to give their children exercises in agility, balance and co-ordination.

Action from a recent Football in the Community after-school multi sports session.
