GIRLS' CENTRE OF EXCELLENCE LONGLEAT TOUR 2008

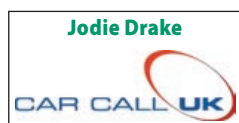

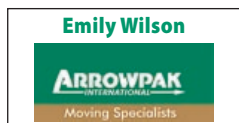

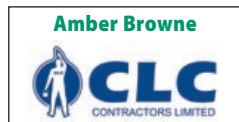

We would like to thank the following companies who have supported individual players from the girls' centre of excellence to go on their tour to Longleat this year.

The under-14s and under-16s have recently returned from their tour, where they took part in fixtures against Plymouth Argyle, Wiltshire FA and Colchester United. The trip also involved the girls taking on some team building exercises at Centre Parcs.

The under-10s and under-12s will be making their way up to Longleat over the Whitsun holidays and along with a trip to Longleat Safari Park will be playing fixtures against, Hampshire FA, Dorset FA and one other opponent.

Check out our website www.fitc.org.uk to keep updated on the under-10s and under-12's tour when they go.

The sponsors below have contributed £100 or more to the following players.

The sponsors below have contributed £50 or more to the following players.
